Our mission is to be a vital resource by nourishing our community in body, mind and spirit.

Special Relationship between Brown and Small Families Recognized with Generous Donation

The Small family has joined the Brown family to help reach their \$100,000 donation challenge to support the One Church Street project with a donation of \$20,000. The late Marty and Bill Small were close family friends of Dee and Dick Brown. Marty and Dee were two of the very first volunteers to begin the Food Pantry program here in Johnstown. Father Bill was the founder of the Food Pantry and the NOAH Free Community Meal program more than 30 years ago.

“Our entire family agreed that Marty and Bill would be the biggest supporters of the One Church Street goals,” stated Joan Small Western.

Our heartfelt thanks goes out to Marty and Bill's children and grandchildren for their gift and continued support of One Church Street and our efforts to nourish our community!

April 26, 2024 – Lots of changes in our building, changes that whisper “Moving Day is coming up!!!” Remember this phrase? “We Can’t Wait” – because our guests shouldn’t have to.” We can’t, but we still need to raise enough money to meet our current challenge to open these doors!! If you have been wondering about a good time to give – this is that time! We need your help!

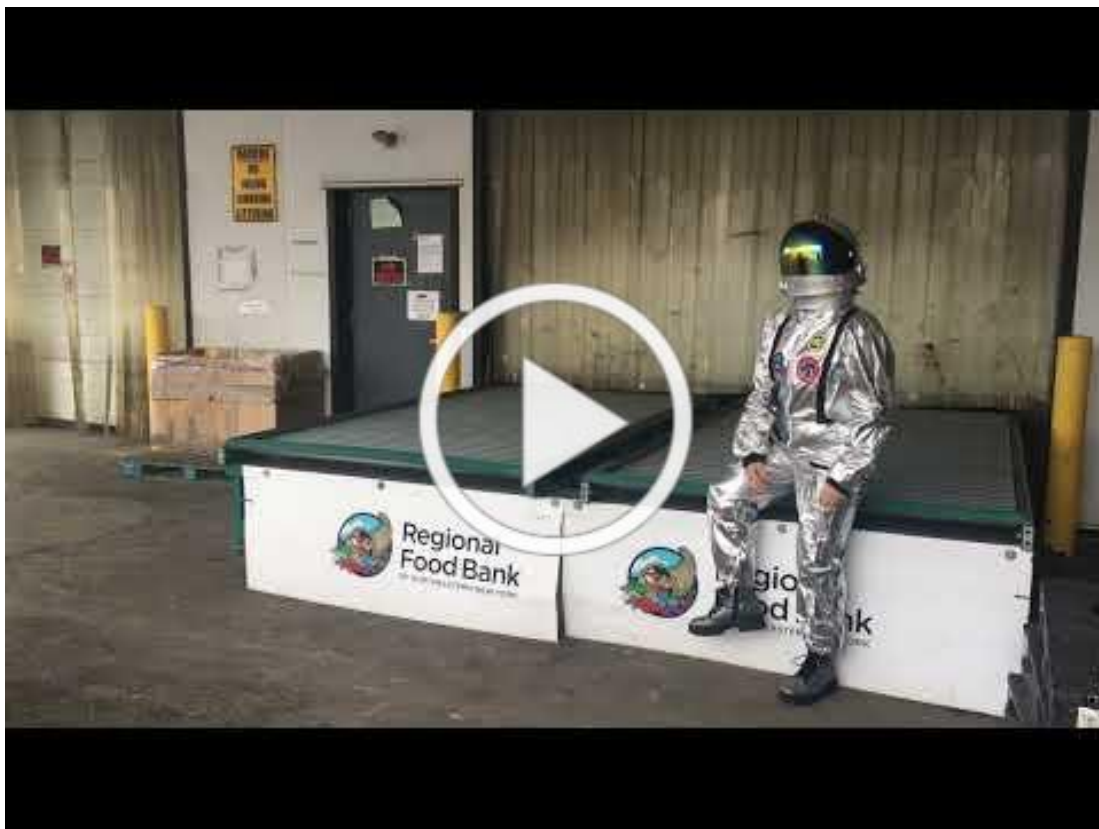

April 17, 2024 – To go along with the beautiful yellow daffodils, look at the painting going on at One Church Street! The walls are so bright and cheerful, aren't they? Mtr. Laurie even convinced them to create an accent wall in her office space with this same beautiful, warm color.

April 5, 2024 – Our Astronaut visited the Regional Food Bank of Northeastern New York!

April 5, 2024 – Update on our Space Mission since November – we have raised just about \$190,000 of the \$1 million needed to complete the Mission (the NOAH Dining Room and Kitchen area). That’s Phase TWO!!

This almost defies gravity....

We have raised
\$190,000
for Lift-Off
since November!!
(We've only got
\$800,000 to go)

April 2, 2024 – What a difference a day makes, and a floor makes! Pics of the newly poured floor that just 24 hours ago was pure liquid. Isn't this amazing? Mtr. Laurie said she could tap dance on this floor today, but instead she walked carefully and quietly on it like it was holy ground because she thinks it is.

April 1, 2024 – Big day at OCS!!!! Today the gypcrete gets poured on the first floor. Mtr. Laurie headed over bright

and early to see the prep work. We'll be able to walk on the floor tomorrow. Amazing, right?
