June 22, 2024 – Head to downtown J'town for the Block Party! OCS is there, sharing info, temp tattoos and information about how we are OPENING SOON!!!!

June 17, 2024 – Tour day at OCS!! As we prepare to move into the building, we wanted people to have a chance to see it before we start bringing in all of our furniture and other things. Plus the A/C is amazing!! Took our 8:00 and 10:00 a.m. folks through the building. I think this is the ENTIRE 8 am service!!!

June 15, 2024 – I also had the opportunity to take today's volunteers through our nearly completed Food Pantry area at One Church Street. Don't they look cool, in more ways than one?? (With the air conditioning working so well, and a heat wave rolling in, I am considering how I can stay in the building from Tuesday – Friday next week!) (L:R) Becky, Hans, Lucy, Matt, Kathi, Jeanine and Lisa!!!

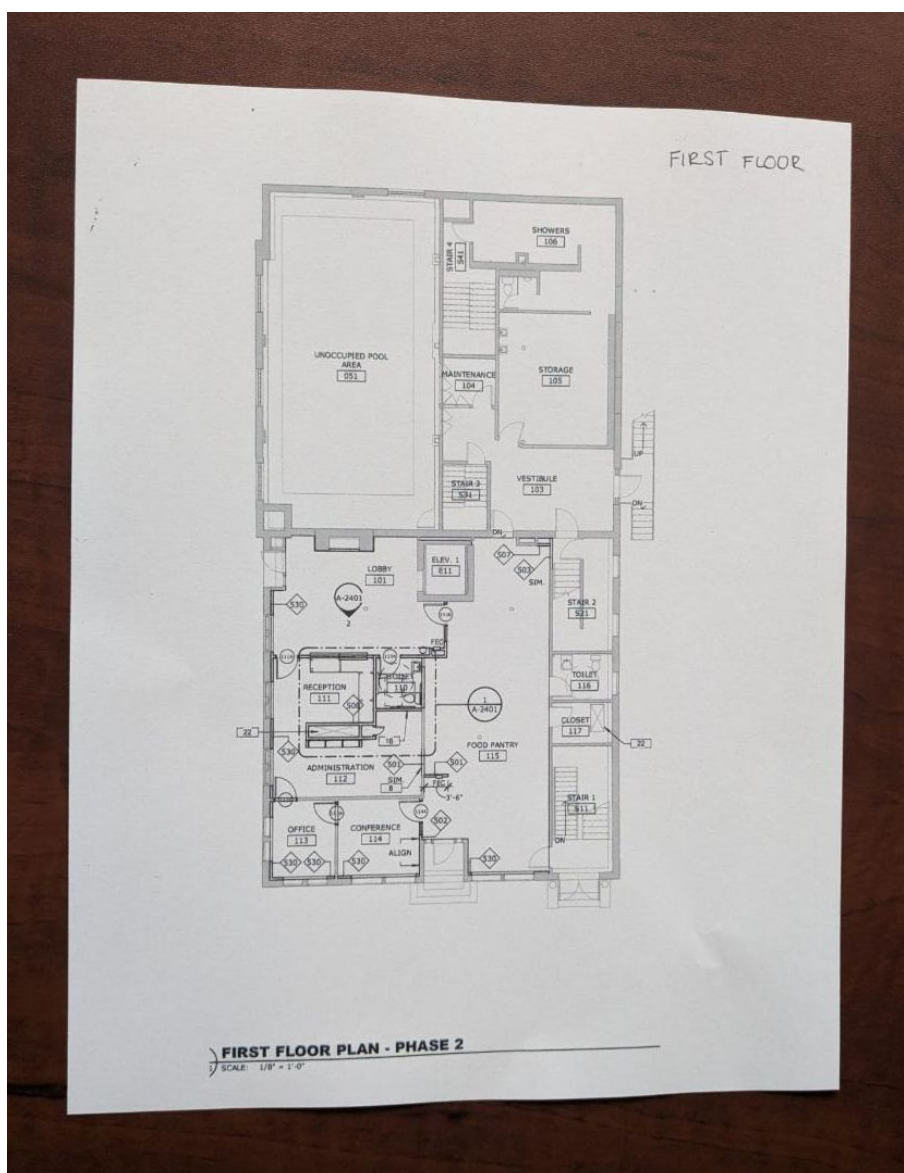

June 12, 2024 – We're here! The New York State Food Summit in Albany NY! One Church Street is in the building, listening, learning and bringing home info to share with all of you "Collective action and infinite hope!" Natasha Pernicka just said. Well we are the action and hope people!!

June 11, 2024 – Today we met with Mary, Rick and Mike from the Pantry, and Alistair, to start measuring out the spaces in the Pantry area for the freezers, fridges and shelving. Exciting times!!

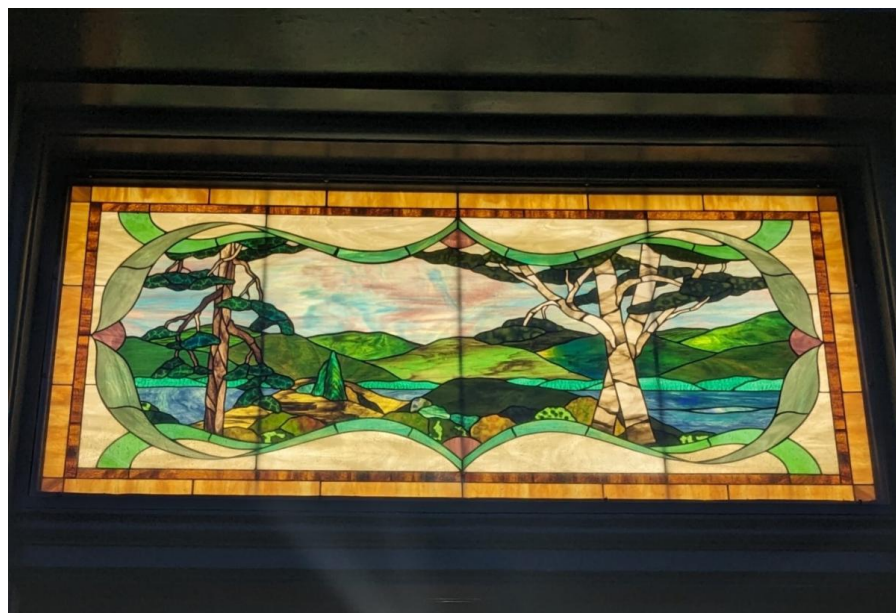

June 5, 2024 – Remember that little post about getting new electrical wiring for OCS? We've officially closed down Church Street!!!! All so we can nourish our neighbors and open our building!!! Grateful....

June 5, 2024 – Ron Wood, head of our OCS building project, told us he drove all the way back to Johnstown last night from his home in order to see the lights behind the stained glass windows. He was shocked that I had not seen them yet. So tonight is my night and your night. Notice how the contractor made sure that we can see all of those stained glass windows as soon as the sun disappears from the sky. The center window is particularly beautiful and I'm so glad we have the opportunity to really see the detail work. Thanks to Adirondack Stained Glass Works for their beautiful work. And thanks to our donor who had the vision to create something beautiful for One Church Street.

June 4, 2024 – W-o-w!! Another exciting day at OCS! First construction update meeting in the conference room....Spectrum is installing internet (yes!).....and Alex from Stewart and Bergen locksmiths is helping us ‘key’ the building!!

Brown Family Matching Challenge Met...and then some!
