Introducing the advent of a better future for our neighbors.

On Monday, November 25, we kicked off our year-end Giving Countdown to 1 in an effort to raise \$100,000 by January 1.

With 25% of our neighbors struggling with food insecurity, any help you can give us will get us closer to creating a fully accessible dining room for our NOAH guests, as well as a commercial kitchen to host our Food is Medicine program. Follow the Giving Countdown to 1 on our [Facebook](#), [Instagram](#) and [website](#).

By Day 4 (Thanksgiving day!) donors like you have already raised \$26,500, including a very generous anonymous donor who gave \$25,000! We are so very grateful. There are still THIRTY-ONE big days left to donate to the Miracle on Church Street!

Beer, Wine & Chocolate Tasting a success for NOAH and Food Pantry programs

The Beer, Wine and Chocolate Tasting, a fundraiser for the NOAH Free Community Meal program and the Johnstown Food Pantry, was held Friday, November 1. Those in attendance supported great and meaningful programs that help those who are food insecure in our community. The programs would like to

say thank you to all their donors, volunteers, the Litt Hour Band, and participants for a wonderful evening. The event raised approximately \$22,000 for the two programs.

**One Church Street is the home of the Food Pantry and the future home of the fully accessible NOAH program. These funds go directly to the programs and not to One Church Street.*
